## Takeaways

Rishi is a passionate learner. During the Summer Camp, he gained an understanding of the Elements of Art; line, shape, colour, form, value and space. He used them constructively while creating his artworks. He explored various art techniques like Zentangles, Fingerprinting, Scratch art, String Art and Squish Art. He got the opportunity to play with colours and create various tints, shades and hues. His artworks reflect rich imagination, ease of drawing, patience, free hand strokes and an eye for detail. Rishi was able to creatively explore language associated with different mediums and their use.

Given more opportunity, Rishi can develop his own style in art. He has great potential.
