Takeaways

Aashi Chourasia is an enthusiastic learner. During the Summer Camp. She gained an understanding of the Elements of Art; line, shape, colour, form, value, texture and space. She used them effectively while creating her artworks. She eagerly explored a few techniques like Zentangles, Fingerprinting, Scratch Art, Tessellation, Cubism. She got opportunities to dabble with colours and create various tints, shades and hues. Her artworks reflect rich imagination, ease of drawing free hand strokes and an eye for detail. She has a neat hand. Aashi was able to creatively explore language associated with materials and their use. Given more opportunities, Aashi will be able to enhance her knowledge of perspective in art and hone skills of creativity and composition.
