Takeaways

Gayatri is an enthusiastic learner. During the Summer Camp, she gained an understanding of the Elements of Art; line, shape, colour, form, value and space. She used them effectively while creating her artworks. She explored various art techniques like Zentangles, Fingerprinting, Scratch art, String Art and Squish Art. She got the opportunity to dabble with colours and create various tints, shades and hues. Her artworks reflect rich imagination, ease of drawing free hand strokes and an eye for detail. Gayatri was able to creatively explore language associated with material and their use.

Given more opportunity, Gayatri will be able to enhance her knowledge of perspective in art and can hone her skills of creativity and proportion.
