Takeaways

Darsh is a passionate learner. During the Summer Camp, he gained an understanding of the Elements of Art; line, shape, colour, form, value and space. He used them constructively while creating his artworks. He explored various art techniques like Zentangles, Fingerprinting, Scratch art, String Art and Squish Art. He got the opportunity to dabble with colours and create various tints, shades and hues. His artworks reflect a colourful imagination, and his love for paints. Darsh was able to creatively explore language associated with different mediums and their use. Given more opportunity, Darsh will be able to enhance his knowledge of Elements of Art and can hone his skills of eye hand coordination and self-expression.
